Greetings from the NITTTR Bhopal Family!

Our PG students of 2025 Batch will be graduating next year, from the Department of Applied Sciences, Civil Engineering, Computer Science and Engineering, Educational Technology, Electrical & Electronics Engineering, Management, Mechanical Engineering, Technical and Vocational Education, Curriculum and Assessment, Indian Knowledge System (IKS). More than 50 students (learners) from our first PG batches will be looking for **full-time** and **internship opportunities** soon particularly in following streams:

- M.Sc. Physics (Semiconductor Science & Technology)
- M.Sc. Biopharmaceutical Science
- MBA (Public Policy and Management)
- M.Tech. (Big Data Analytics)
- M.Tech. (VLSI & Micro Electronics)
- M.Tech. (Transport Engg. and Management)
- M.Tech. (Compute Aided and Automation)
- M.Tech. (Green Technology)

It gives us immense pleasure to invite you for campus recruitment at National Institute of Technical Teachers' Training and Research (NITTTR) Bhopal, an "Institute of National Importance". With NITTTR Bhopal as our mentor institute, the skill set and knowledge base of our students is on par with those from other national institutions. **Our curriculum for all semesters is also available on the website.**

Our Learners are being trained at the forefront of solving problems using in-demand technologies across domains like Internet of Things, Artificial Intelligence, Machine Learning, Deep Learning, Data Science & Analytics, Big Data, Cloud Computing, Data Mining, Data Security, AR/VR, Cyber Security, Mobile Application development, full-stack web development, System Design, Electronics System Design, VLSI, Embedded Systems, Image Processing, Signal Processing, etc. at national and international level within the context of

larger humanistic concerns, the wide ranging spectrum of skill-set can be clearly demonstrated.

Our institution was established in 1965 and will be given the NIRF ranking on completion of its 5 years from the date of announcement of university (Feb. 2024). **NITTTR Bhopal harbours the top 2% of talent across the information and communication technology domains all around India,** who are admitted through competitive exams. We would like to extend a cordial invitation to you for participation in the campus recruitment programme at NITTTR Bhopal. We assure you to provide highly talented and skilled individuals who are eager to learn and grow.

Please feel free to contact us, should you require further information.

Looking forward to establishing a long lasting and mutually beneficial relationship with you.

Warm Regards

Dr.R.S.Chauhan
