

## PREFACE

Dear Colleague,

Rapid technological advances and globalization of economy has created requirement of multi-skilled engineers, technicians and professionals in the world of work. To prepare the students for the changing job market, the teaching faculty needs to be fully equipped with strategies and techniques of teaching for such empowerment. Training has become an indispensable requirement to update one's skills and abilities. The role of NITTTR Bhopal has also transformed in last few years in response to the changing role of technical, management and other allied professional institutions and it has now aggressively oriented itself to provide purposeful and need based training to its large clientele. Institute is looking to the training demand of all client institutions during the current academic year. As a National Institute of Training and Research, we have added more training and learning resources in our state of the art training facilities at Bhopal and at all extension centers. This year Professors from IITs will be involved as experts in our training programmes. For private institutions the training fee has also reduced on demand. We have renovated all lodging and boarding facilities. All training programmes are competency based, Quality driven, interactive and trainees friendly. The Institute offers Ph.D. Programme in Engineering and Technical Education. Training Programs are offered for Principals, Deans, Head of the Departments/Centers, Faculty and staff of AICTE Approved Engineering, Polytechnic, Pharmacy, Architecture, Hotel Management, Printing, Management and Allied Institutions/Courses/Colleges. A details of each programme is available on the institute's website [www.nitttrbpl.ac.in](http://www.nitttrbpl.ac.in) The faculty and staff interested to participate in these programmes at NITTTR, Bhopal or any of its extension centers may be advised to apply through proper channel. The self financed institutions interested to conduct in house programmes at their locations may please send their request directly to NITTTR, Bhopal.

Director
