

**Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of the National Institute of Technical Teachers' Training and Research, Bhopal for the year ended 31 March 2024.**

We have audited the attached Balance Sheet of the National Institute of Technical Teachers' Training and Research (NITTTR), Bhopal as at 31 March 2024; the Income and Expenditure Account and the Receipts and Payments Account for the year ended on that date, under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. The audit has been entrusted for the period from 2023-24 to 2027-28. These financial statements are the responsibility of the NITTTR's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/ CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

(i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;

(ii) The Balance Sheet, Income and Expenditure Account and the Receipts and Payments Account dealt with by this report have been drawn up in the format prescribed by the Ministry of Education, Government of India vide order no. 29-4/2012-IFD dated 17 April 2015.

(iii) In our opinion, proper books of account and other relevant records have been maintained by the NITTTR, Bhopal in so far as it appears from our examination of such books.

(iv) We further report that:-

**A. Balance Sheet**

**1. Sources of Funds**

**1.1 Corpus/Capital Funds (Schedule-1) - ₹ 105.87 crore**

This includes ₹ 6.64 crore being unadjusted capital advance to executing agencies, met out against GIA (OH-35) during the year under the heading 'Assets purchased out of grant received from Ministry'. As per the revised format of accounts, unadjusted capital advance met out against GIA should not be treated as utilization of grant and should be shown as unutilized grant under Current Liabilities and Provisions. This resulted in overstatement of Corpus/Capital Fund and understatement of Current Liabilities and Provisions by ₹ 6.64 crore.

**1.2 Current Liabilities and Provisions (Schedule -3) – ₹ 21.33 crore**

1.2.1 This does not include ₹ 0.97 crore being provisions required to be made on account of expenses of Project Management and Operation services (₹ 0.70 crore), Medical reimbursement (₹ 0.02 crore) and Children Education Allowance of (₹ 0.25 crore) for the academic year 2023-24. This resulted in understatement of Current Liabilities and Provisions as well as current year Expenditure by ₹ 0.97 crore.

1.2.2 This includes interest of ₹ 2.61 crore being interest earned on grants-in-aid (GIA) during 2019-20 to 2022-23 despite the same having been refunded to GoI during 2023-24. As per the ledger account of current liabilities, the Institute had correctly deducted the interest refunded to GoI of ₹ 2.61 crore by debiting the head of 'Unutilised Grants' during 2023-24. However, the aforesaid refund of interest was wrongly depicted as deduction from Corpus/Capital Fund (Schedule-1) instead of 'Current Liabilities & Provisions (Schedule 3) in the Balance Sheet. This resulted in overstatement of Current Liabilities and Provisions (Schedule 3) by ₹ 2.61 crore and understatement of Corpus/Capital Fund (Schedule-1) by the same amount.

**2. Application of Funds**

**2.1 Fixed Assets (Schedule-4) - ₹ 88.24 crore**

This includes ₹ 1.63 crore being depreciation charge in respect of capital works (staff quarters, students hostels, upgradation works) which had been handed over to

the Institute in the period 2019-20 to 2021-22. However, the same were capitalized i.e. added in Fixed Assets (Tangible Assets) in 2023-24 and accordingly the depreciation was provided @ 2 per cent for the year 2023-24 only. Thus, not providing the depreciation for the years 2019-20, 2020-21, 2021-22 and 2022-23 resulted in overstatement of Fixed Assets as well as Corpus/Capital Fund by ₹ 1.63 crore understatement of Expenditure (Depreciation (Prior Period Expenses)) by the same amount.

## **B. Income and Expenditure Account**

### **1 Expenditure**

#### **1.1 Administrative and General Expenses (Schedule-17) – ₹ 5.47 crore**

The prescribed format of accounts mentions that recoveries should not be deducted from the expense heads but included under ‘Schedule 13- Other Income’. Gross expenditure during the year in respect of electricity and water charges was ₹ 0.83 crore. However, the Institute charged the net amount of ₹ 0.68 crore in the Administrative and General Expenses (Schedule 17) after adjusting the recoveries ₹ 0.15 crore made from its employees, banks etc. on accounts of electricity and water charges, instead of depicting the recovered amount of ₹ 0.15 crore as ‘Other Income (Schedule-13)’. This was in contravention of prescribed format and resulted in understatement of Administrative and General Expenses (Schedule-17) by ₹ 0.15 crore as well as corresponding understatement of Other Income (Schedule-13).

#### **1.2 Establishment Expenses (Schedule- 15) - ₹ 41.69 crore**

This includes ₹ 0.21 crore being payment made to Faculty/Officer/Staff against children education allowance of Academic Year 2022-23 (Prior Period Expenses) paid in FY 2023-24 against Voucher Number 214 dated 11/05/2023. In this regard, no provision was made during FY 2022-23. This resulted in overstatement of current year Expenditure and understatement of Prior Period Expenses by ₹ 0.21 crore.

## **C. General**

- 1.** Designated/Earmarked Funds (Schedule-2) shows closing balance of ₹ 10.67 crore as on 31.03.2024, which is being carried forward from past many years. It needs to be reconciled.
- 2.** As reported by the CPWD in its form 65, balance deposit of ₹ 1.74 crore was available with them as of March 2024. Whereas, as per Loans, Advances & Deposits (Schedule-8) of Annual Accounts 2023-24, advance/deposit available with CPWD was depicted as ₹ 23.37 crore as of March 2024. Thus, there is a huge difference of ₹

21.63 crore (₹ 23.37 crore – ₹1.74 crore) noticed between the balance reported by CPWD and depicted in Annual Accounts 2023-24. This needs reconciliation with CPWD.

3. Provisions for retirement benefits in respect of eligible employees had not been made in the accounts on actuarial valuation basis as required under prescribed format of accounts.

**Effect of audit comments**

The net effect of above comments is that the Income, Expenditure and Prior Period Expenditure were understated by ₹ 15.00 lakh, ₹ 91.00 lakh and ₹ 184.00 lakh respectively and Liabilities and Assets overstated by ₹ 66.00 lakh, ₹ 163.00 lakh respectively.

**D. Management Letter**

Deficiencies which have not been included in the Separate Audit Report have been brought to the notice of the Director, National Institute of Technical Teachers' Training and Research, Bhopal through a Management Letter issued separately for remedial/ corrective action.

**E. Grant-in-aid**

During the year NITTTR, Bhopal received grant-in-aid of ₹ 33.10 crore and earned interest of ₹ 1.64 crore on grants-in- aid. It had also an unspent balance of ₹ 100.61 crore of the previous years. Thus, out of total available fund of ₹ 135.35 crore an amount of ₹ 99.52 crore was utilized (including refund of interest of ₹ 2.61 crore to GoI pertains to previous years) leaving unutilized balance of ₹ 35.83 crore at the end of the year. However, as per Schedule 3 (c) the unutilized grant is shown as ₹ 9.26 crore. The difference is due to the reason that Institute considers the advances to suppliers as expenditure from Grant instead of including such advances in Unutilized Grants (as per MoE format of accounts). This may be reconciled.

- (v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and the Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- (vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Separate Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

- (a) In so far as it relates to the Balance Sheet, of the state of affairs of the National Institute of Technical Teachers' Training and Research, Bhopal as at 31 March 2024 and;

This does not include ₹ 10.13 crore being unadjusted capital advance to CPWD (₹ 10.13 crore) which was instead credited to Capital Fund in contravention to prescribed format of accounts. This resultant overstatement of Corpus/Capital Fund by ₹ 10.13 crore and understatement of Current liabilities & Provisions by same amount.
