

### Brief Profile

**Prof. Neeraj Rathore** is a Professor in the Department of Computer Science and Engineering at the National Institute of Technical Teachers Training and Research Bhopal, Madhya Pradesh. He previously served as Dean (2024-2026) and Head (2022-2025) of the Faculty of Computer Science at Indira Gandhi National Tribal University, a Central University in Amarkantak, Madhya Pradesh. He also served as Vice President (2025-2026) of the Teachers' Association at the Central University, Amarkantak.

He earned his Bachelor of Engineering in 2006 from the University of Rajasthan, Rajasthan, and completed his Master of Engineering (2008) and Ph.D. (2014) in Computer Science and Engineering from Thapar University. He also qualified GATE in 2006, securing an All India Rank of 241.

Prof. Rathore has over 18 years of combined experience in teaching and industry across various state and central government universities and institutions. His academic contributions include more than 90 publications, comprising 23 SCI-indexed papers, 7 patents, and 8 books, along with numerous articles in reputed journals and conference proceedings. His research has received over 1,250 citations, with an h-index of 21 and an i10-index of 40. He has successfully supervised 4 Ph.D. scholars, with 4 more currently pursuing their doctoral research under his guidance. Additionally, around 30 postgraduate and 90 undergraduate students have completed their projects under his supervision.

He has delivered more than 50 expert lectures, keynote addresses, and invited talks at national and international platforms. He is actively associated with prominent national agencies such as NTA, CGPSC, and Vyapam for various professional assignments and has received several prestigious awards in recognition of his contributions.

Prof. Rathore is affiliated with numerous universities and institutions as an external Ph.D. examiner, paper setter, Board of Studies member, Doctoral Research Committee expert, interview panel member, and council member. He has chaired and coordinated over 45 workshops, conferences, and technical sessions.

Beyond academics, he has actively participated in extracurricular activities and has earned accolades in sports including cricket, volleyball, and kabaddi. He has also performed various government duties, serving as an observer and coordinator for different organizations.

In addition to his academic and administrative roles, Prof. Rathore is actively associated with several professional bodies and agencies, serving as an Editorial Board Member, Technical Program Committee Member, Program Chair, Advisory Member, Adjunct Faculty, and Reviewer. He has undertaken significant responsibilities at both departmental and university levels and has served as Chair or Member of more than 100 committees at institutional and university levels. These responsibilities include roles such as Coordinator of NBA Coordinator, Examination Superintendent, Cyber Cell Coordinator, Discipline Committee, Academic Council, SWAYAM and MOOC Advisory Committee, WiFi Committee, IQAC and NAAC Committee, Doctoral Research Committee (DRC), Alumni Cell, Scholarship Authority, and Board of Studies (BoS), among others.

Prof. Rathore's distinguished career reflects his unwavering commitment to academic excellence, research innovation, leadership, and professional service.
